THE WESTMINSTER

Presenting a limited collection of just four thoughtfully designed four-bedroom homes, this exceptional ensemble seamlessly integrates with its surroundings, offering an enticing blend of rural tranquility and contemporary modern living. Drawing on over 45 years of award-winning building expertise, these high-quality, energy-efficient residences are not only sophisticated and stylish but also flexible and flooded with natural light.

The particularly refined four-bedroom detached home provides ample space for comfortable relaxation, accentuated by wide bay windows and three expansive sets of glazed bi-folding doors that open onto the rear garden. The ground level showcases an open-plan kitchen/dining/family area and a spacious living room, both bathed in natural daylight. Convenience is paramount, with a utility area and cloakroom also on this level.

Upstairs reveals four generously proportioned bedrooms and a sleek family bathroom, with the principal and second bedrooms boasting their own en-suite shower rooms. Abundant storage options and a double garage further enhance the appeal of this home, epitomizing the perfect fusion of luxury, functionality, and modern design.
